Four Generals Among Captives At Kut-el-Amara

Five Hundred Fifty-one Officers Taken Prisoners in Surrender of British Expedition to Turkish Force.

By Evening Herald Leased Wire.

Berlin, May 8.—City wireless to Washington.—The official Turkish report of May 5 said that three generals, in addition to General Townsend, the commanding officer, were captured at Kut-el-Amara. The report did not give a delayed report of a defeat of the British in southern Anatolia near Aden. The statement says:

In addition to General Townsend, he is known that the United States does not consider that its response to the German note calls for a reply from Germany. Unless Berlin specifies to the contrary, it will be assumed that Germany accepts the American view as stated.

Secretary Lansing gave out a statement explaining that a large part of the latest German reply deals with questions concerning the conduct of other belligerents which the American government could not discuss with the Berlin government. He stated, however, he considered Germany had "yielded to our representations" and we can have no reason to quarrel with her so long as the alternative submarine policy is not violated.

Today Secretary Lansing said it

he does not consider that its response to the German note calls for a reply from Germany. Unless Berlin specifies to the contrary, it will be assumed that Germany accepts the American view as stated.

In addition to General Townsend,

he is known that the United States does not consider that its response to the German note calls for a reply from Germany. Unless Berlin specifies to the contrary, it will be assumed that Germany accepts the American view as stated.
